**Pressure Indicator Pin (PIP)**

**Muzzle Brake**

# XRD50

## **The first handgun powered by a CO2 technology branded Stoeger Airguns, a proud member of the prestigious Beretta Holding Group.**

Introducing the all-new powered by CO2 technology with 12-gram cartridges, the XRD50 is easy to use and incredibly fun. Designed specifically for training engagements, shooting practice and domestic use, the XRD50 showcases Stoeger Airguns' dedication to innovation.

Italian engineers have crafted a unique and modern revolver style, setting the XRD50 apart in both form and function. The new XRD50 is an alternative at the firearms handgun, allowing the shooter to train in the backyard or in domestic space, handling a quiet pistol, safety, light and easy to use.
